#### JUAREZ LAYERS AGAIN HIT

SUCCESS OF FOUR WELL-BACKED FAVORITES ENTAILS LOSS TO BOOKMAKERS.

Other Winners Come in for Backing as Well-Orb and Salvage Win at Lucrative Odds-Meadow's Sister Runs Another Good Race.

El Paso, Tex., March 10.—Weather conditions were ideal today and a big Monday crowd attended the races at Juayez. The list of winners included four favorites whose success made quite an inroad into the bank rolls of the layers, as they all cause in for heavy support.

Orb. the winner of the opening race at good odds, was also well backed by a select few of the Texaus, The second horse, Theodorita, also had a strong following. Bookmaker Roy Offurt probably lost the largest sum to this race that any layer has lost on one race during the present meeting, as he took large amounts on each of the three horses that placed.

large amounts on each of the three horses that placed.

Salvage won for W. St. Vincent the first purse that has gone to that turfman's credit at this meeting. Truly showed up well in winning the fifth race. Like her great sister, Meadow, she is inclined to be a loafer during the early racing, but when called on today, she ran past the leaders in the final eighth with ease. She will probably be a useful filly when called upon to go longer routes.

Mars Cassidy will leave at the close of the meeting for Norfolk, where he will officiate at the barrier. He will also send away the fields during the spring meetings at Churchill Downs, Douglas Park and Latonia.

Jockey Whatley was taken sick after he won on Salvage and his mounts for the rest of the day were, canceled. Excessive reducing was the cause, Jockey Borel leaves tonight for Oakland, Cal., to rest until the opening of the meetings on the Kentucky circuit. He will still be under contract to W. E. Applegate.

### PREDICTS MUTUELS FOR NEW YORK.

#### M. J. Winn Gives Out Interesting Interview at Louisville Regarding Racing Prospects.

Matt J. Winn, general manager of the New Louisville Jockey Club. Jockey Club Juarez and Empire City Racing Association, is enthusiastic over the improving outlook for racing in the United States. In an interview given to the Louisville Courier-Journal upon his return to his home city from Juarez a few days ago, he is quoted as follows: "The future of racing in this country appears brighter than for a long time. The recent court decision favorable to oral betting in New York means the revival of racing in the Empire State under a System of oral hetting which, in my opinion, will centime for the next two years. Then, if things works out as I think they will, the parimeturel system, which is steadily gaining in popularify, will be introduced in New York. It has proved the salvation of racing in Kentucky, and I have no doubt that it will prove equally popular in the east."

#### KENTUCKY STATE RACING COMMISSION CARRIES OUT ITS PLAN FOR INCREASING STAKE AND PURSE VALUES AT ONCE

Lexington, Ky., March 10.—The Kentucky State
Racing Commission, with all its members present
except Johnson N. Camden, who forwarded his proxy
from New York to Chairman Milton Young, was in
session for six hours this afternoon. The greater
portion of the time was given over to a discussion
of the amendment to rule thirteen proposed at the
last meeting requiring that at least \$2,000 be addie
to each stake and that there be no purse for less
than \$600 at Latonia and Louisville tracks, with
\$750 added to stakes and \$550 to purses as the
minimum for Lexington.

The New Louisville Jockey Club entered vigorous
missioner Charles F. Graliger, who is president of
the New Louisville Jockey Club, and General Manager Matt J. Winn making the arguments. In the
end the amendment was adopted and the New Louisville Jockey Club, the only one of the four associations licensed to give race meetings in this state
that had not complied with its provisions, was given
the option of declaring off its stakes to which less
than \$1,000 has been added, or adding the sum to
each necessary to conform to the rule. General Manager Winn will announce later what the club will
do in this matter.

Sixty days for racing were allotted for the spring
season in Kentucky, as follows:

Lexington—Eleven days, April 26 to May 8,
Churchill Downs—Thirteen days, May 10 to May 24,
Douglas Park—Twelve days, May 26 to June 7.
Latonia—Twenty-four days, June 9 to July 5.

It was represented to the commission that Mrs. Clarence Lebus desires to give a one-day matinee race meeting on her private grounds in April, at which no admission is to be charged, the prize in each race to be a silver cup. A resolution was adopted giving permission to Mrs. Lebus to hold the meeting, and it was further resolved that the win-

It was proposed to amend rule 142 so that it shall read "When any surplus occurs from a selling race winner being advanced over the entered price given on the program, said amount shall be disposed of as follows: 60 per cent shall go to the second horse, 40 per cent, shall remain in the treasury of the association where the race is run, and shall be known as the advance fund. When the same shall amount to the minimum sum provided for purseraces on the several tracks, said association shall give an extra race called advance money selling race, the same to be given on the second day thereafter and each succeeding day should the fund he sufficient."

The commission adjourned subject to the call of Chairman Young.

the pari-mutuel system was given a tryout, Mr. Winn said that in his opinion it was only a matter of a few years until the pari-mutuel system will come into its own in Mexico as well as elsewhere.

"The reason it did not prove nondar when given a tryout at Juarez," he said, "was because much of the patronage at that track was made up of tourists who were not used to the system. When the nublic once get used to the system and understands it, my experience has been that they would not exchange it for any other."

The registration of thoroughbred foals for 1911 in America shows a startling falling off from 1910, and brings the breeding industry to its lowest ebb. There were 500 fewer registrations than for the foals of 1910 and the difference amounts to a decrease of about 25 per-cent. It has been known for a long time that the breeding of thoroughbred horses was seriously menaced by the anti-racing laws in New York state, but the failing off in production was hardly thought to have been as serious over a year that in itself showed a big decrease in production.

J. O. Keene is one of those who are much elated over the return to America of the stallion. Ballot, from England. He is a great admirer of this great race horse. He states that two years ago the imperial manager of thoroughbred breeding in Russia wrote him asking his opinion as to the best American stallion to succeed Galtee Mor, the great English borse, which had died at the head of the Russian Imperial stud, and he answered Ballot. In return he was requested to get a price on Ballot and was informed by the late James R. Keene that he world not take less than \$100,000 for the horse.

### BUTWELL IS DISCIPLINED

CRACK JOCKEY IS SUSPENDED FOR REMAIN-DER OF THE CHARLESTON MEETING.

Unfair Tactics to Avert Defeat of Shackleton by John Furlong Lead to Action by Stewards -Another Day of Upsets.

Charleston, S. C., March 10,—Jockey Butwell indulged in unfair riding tactics while astride Shack-leton, favorite in the third race at Palmetto Park today. Shackleton was faltering badly after having led to the last furlong and was about to be passed by John Furlong, on which Musgrave had the mount. Butwell, in his effort to stave off defeat, reached over and grasped John Furlong's lines to retard his progress. Musgrave, in retaliation, struck at Butwell and forced him to desist in time to permit John Furlong to win by a head. The incident took place in full view of most of the spectators and the stewards immediately took action. They suspended Butwell for the remainder of the meeting and fined Musgrave fifty dollars for striking Butwell. The latter has on several previous occasions been flagrantly guilty of unfair tactics, but has in each instance managed to escape punishment.

Upsets were again frequent and only one pronounced favorite scored. The lone winning choice was Nimbus, in the opening dash, Moisant was considered a "good thing" in this race, but finished any massed. The worst beaten favorite during the day was Spohn, He finished last in the selling handicap, which Hoffman won by a narrow margin over Americus with Viley in third place. The two-year-old race went to Wooden Shoes, well back-ad by the smart set. In this race Manners took second place from the favorite, Harwood. Martre just mauaged to last in the fifth to beat Goeur d'Alenc, and Irish Kid furnished the chief surprise when he won the closing dash, in which Mud Sill and Supervisor were the favored ones.

A surprisingly large crowd was in attendance this afternoon. The racing was interesting, but the betting was somewhat light.

H. O. Comstock's Salvation Rey succumbed to his sickness yesterday. The colt was regarded highly by his owner, who recently refused to sell him at public sale for \$2.500.

Capt. Philip Walker, a retired officer of the army, who hails from the valley of Virginia, is wintering his string at Washington. He did not ship to a winter track last fall, as had been his custom. His horses needed a rest and they are the better for having had it. The captain-expects good things this spring of Madrigalian, a horse he bought a year ago last fall from Mrs. L. A. Livingston.

Madrigalian, a big son of Arneath II., has not had a race now for upwards of a year. He was at Laurel, Md. last summer under the care of Dr. Henry J. McCarthy, the Maryland State Veterinarian, and his legs are in first-rate condition again. He is a horse of good breeding and it is likely that he will bear Captain Walker's silks in the Monticello Hotel Handicap, a \$1,500 race at one mile and a sixteenth. for three-year-olds and over. The Monticello will close, with three other stakes of \$1,000 cach. March 15.

Captain Walker believes that old Oakhurst is in better condition than he has been in a couple of seasons, and he has a notion that the once courageous and consistent Aspirin will recover his form this spring. Aspirin was always partial to the Norfolk track. Oakhurst, however, never seemed to like it. Captain Walker's New York-bred sprinter, Isidora, daughter of Isidor and Auriesville and sister to Rockville, Herkiner and Jack Kellogg, has developed into a good-looking four-year-old. Cordie F., a filly by The Scribe, for which Captain Walker paid a beggarly \$100 last winter at Charleston and won out many times over, has developed into a likely looking three-year-old.

Captain Walker benever of Flamma and Breaker Boy, is spending the winter at Elizabeth City, N. C. and both the Hastings filly and the Orsini cold.
